4. Assistant Director,  
MEAF, Bhiwani.

Subject - Schemes for the year 08-09 under Rashtriya Krishi Vikas Yojna regarding.

Memo:

Please refer to this office letter No. 39978-40010 Pig. dated 24.10.08 vide which proceedings of the SLSC meeting held on 26.9.08 were circulated. At the end of each scheme, the action by whom is to be taken is shown and it is expected that ground work would have been finalized by now.

For your convenience, the scheme wise activities required have been worked out and the brief is shown as under:-

1. Supply of Murrah bulls: Assistant Director, Young Murrah Bull Calves Rearing Centre Bhiwani / Hisar are to submit the list of 400 Murrah Bulls supplied to village Panchayats free of cost after observing required formalities. Deputy Director (AH), Ambala, Y/Nagar, Panchkula, Kaithal, Mewat, Palwal & Faridabad in particular are requested to arrange supply of maximum number of young Murrah bulls to the Panchayats/Bull Keepers (minimum 50 in each distt.) in the area and other districts will also take similar steps of supply of Young Murrah bulls as per need.
2. Insemination by clock: The scheme, in particular will be implemented in the distt. of Rohtak, Jhajjar, Sonapat, Bhiwani, Jind & Hisar. The insemination by clock

camps will be held in about 10 villages per distt. as identified for PTP and by the teams of Vety. Surgeon (expert) constituted districtwise. Deputy Director of the concerned district is to chalk out the programme of the camps in the m/o Feb & march, 09 and medicines for these camps will be supplied by VS(Pc) HQ. and the same will be purchased with the help and under the guidance of Dr. N.K. Khurana, Principal, HVTI, Hisar. A minimum of 10 camps per team are to be held in respective distt.

3. Outsourcing of A.I. (PPP Mode) services: As per M.O.U. signed at the time of allotment of work, the advance amount of Rs. 284 lac is to be paid to NGO J.K. Trust and subsequently Rs. 196 lac during the 1st year subject to verification of AI born calves. The training of A.I. workers (Gopals) is going on and necessary steps for the purchase of AI items have been taken by NGO. J K Trust is demanding funds as per MOU and P.D.O. is directed to take necessary action for arranging releases of the funds.

4. 4th generation technology of sexed semen: As per scheme provision, it is required that Dr. N.K. Khurana, Principal, HVTI, Hisar would take step to purchase one machine for separations of X & Y sperms based on flow cytometry technology and will also submit the proposal of the training to be provided to the officers on this technology.

5. Herd Health Management: VS(PC) will arrange the purchase of routine medicines worth of Rs.3.10 crore and Min. **Mix.** worth of Rs. 2.00 crore under the scheme during the current year 2008-09. DD(AH) HQ will take steps to hold the Herd Health management Camps in the State and monitoring thereof and for this necessary guidelines would be circulated by him to all field officers for holding of the camps.

6. Awards & Study Tours:

A As per guidelines already circulated, Dy. Directors (AH) of respective districts with the help of DD (Agr.) and member of Block Samiti or Zila Perished will select Best Breeder Animal in the Block & Distt. and he will send the names to the HQ for selection of Best Animal Breeder in the State. The cash award, certificate and shield will be provided in a general public function.

B. Study Tours:

The technical officers with the objective to make exposure to latest technologies in various veterinary fields in a group of 5 to 7 or more will be sent to reputed institutions in the country and abroad with a special sanction. The places of technical importance for exposure identified are as under:-

i) Study tour to State Kerala & others - Mattupatti Semen Bank, Field Progeny Testing Programme on the country side of the Kerala, Sunandani Breed of cattle developed by Kerala etc. are the major concept of study.

ii) Study tour to State Karnataka & others - The important places for visit will include GOI Lab Hessarghata, Bidyas Farm, Self Help Groups concept and study of cooperative sector in milk marketing etc.
